Dear Mr. Feigenbaum

On June 20 & 21, 2002, the Department of Environmental Services (DES) conducted an inspection of the North Atlantic Energy Services Corporation (NAESCO). The purpose of the inspection was to determine NAESCO's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, NAESCO was issued Letter of Deficiency No. WMD 02-28 ("LOD"). Based upon a review of NAESCO's submittal dated October 4, 2002, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor NAESCO's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Jessica Cajigas or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely
